

Riots

 22  2  4

Chapter 1 by Brock Thompson

It started when the president was shot, and went straight to hell from there.

Chapter 2 by Will Coloff

Panic broke out, no one knew what to do, it had never happened before. The government tried to calm everyone down, heh, nice try. All of them, the government officers had abandoned when the plan didnt work. W-what? A-about the plan? I... I dont really want to talk about it. I was sitting at breakfast when it happened, a person threw a rock through our window, then 3 of them crashed through the roof, my mom was at work and so was my dad, my sister jumped up and ran to the garage, I ran with her, We got in the car and locked the doors, more of them came, trying to get in, she turned on the car and drove forward, running over 2 rioters, outside was worse, he police were barily holding up against a horde of rioters, my sister drove straight at the policemen, and stopped right before we hit one, she opened the window and yelled "Jump in!". 4 officers got in and we sped off as the rioters destroyed the cars. i heard an officer whisper "What has this world come to..."
